

1

Who We Are

2

- Row Crops: 3000 acres
 - Corn
 - Soybeans
- Orchards: 1600 acres
 - Apples
 - Sour cherries
- Permanent Pastures: 360 acres
 - Grasslands + Floodplains
 - Silvopastures

3

4

5

6

Silvopasture = The intentional management of trees + forages + livestock

7

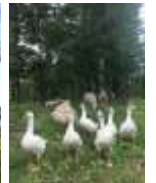

OR

8

9

10

Traditional orchard seeding mix:
• Creeping Red Fescue, Perennial Rye, Annual Rye

Newly planted orchards:
Loamy Soils: Meadow Fescue, Perennial Rye, Annual Rye, Orchard Grass, White Clover, Timothy

Sand Soils: White Clover, Red Clover, Alfalfa, Perennial Ryegrass, Orchard Grass

11

12

Changes to our orchard management now allow for forages to flower & seed creating a desirable habitat for pollinators
