

Integrity® Herbicide label expanded via Minor Use Program for control of weeds on miscanthus in Canada

J. Chaput, OMAFRA, Minor Use Coordinator, Guelph

The Pest Management Regulatory Agency (PMRA) recently announced the approval of a minor use label expansion registration for **Integrity® Herbicide** for control of labelled weeds on miscanthus in Canada. **Integrity® Herbicide** was already labeled for use on several crops in Canada for control of weeds.

This minor use project was submitted by Ontario as a result of minor use priorities established by growers and extension personnel.

The following is provided as an abbreviated, general outline only. Users should be making weed management decisions within a robust integrated weed management program and should consult the complete label before using **Integrity® Herbicide**.

Crop(s)	Target	Rate / ha	Application Information	PHI (days)
Miscanthus	<ul style="list-style-type: none">• Common ragweed• Crabgrass (smooth, large)• Fall panicum• Foxtail (green, yellow, giant)• Lamb's-quarters• Redroot pigweed• Velvetleaf• Wild buckwheat• Wild mustard	0.73 L	<p><u>First year of production:</u></p> <p>Pre-emergent to the crop (application can be made on same day as planting, as long as shoots have not emerged from rhizomes)</p> <p><u>Second year of production and subsequent years:</u></p> <p>Broadcast post-emergent application to established miscanthus crowns in the spring</p>	365

Integrity® Herbicide is toxic to aquatic organisms and non-target terrestrial plants. Do not apply this product or allow drift to other crops or non-target areas. Do not contaminate off-target areas or aquatic habitats when spraying or when cleaning and rinsing spray equipment or containers.

Follow all other precautions, restrictions and directions for use on the Integrity® Herbicide label carefully.

For a copy of the new minor use label contact your local crop specialist, regional supply outlet or visit the PMRA label site <https://www.canada.ca/en/health-canada/services/consumer-product-safety/pesticides-pest-management/registrants-applicants/tools/pesticide-label-search.html>
